International Sports Calendar for 2021

▣ The 2020 international sports calendar was shattered by the coronavirus. Hopefully, 2021 will be better.

This list shows 709 events for the calendar year 2021, plus a few events beyond, for sports on the Olympic and Olympic Winter Games program. Two calendars are offered: first, in chronological order (pp. 2-16) and second, by sport (pp. 17-32). There are no listings, or just a few events for multiple sports which have not yet posted their complete 2021 calendar, including but not limited to, Judo, Rugby Sevens, Skateboarding, Table Tennis, Taekwondo and Volleyball (including Beach).

These listings are based on publicly-available sources as of 28 December 2020 and **will absolutely change** thanks to the coronavirus. Please do not hesitate to send amendments or corrections to Editor@TheSportsExaminer.com! Users should double-check events with the current calendars of the relevant international, regional or national federation to ensure up-to-date information.

The country codes are those used by the International Olympic Committee (more [here](#)). Other common symbols and abbreviations (? = unsettled dates):
