International Sports Calendar no. 3 for 2021

▣ The continuing pandemic continues to shuffle the 2021 international sports calendar, making even the most ardent fans confused and irritated. We're here to help!

This list, updated from our 7 February 2021 edition, shows 506 events for the remainder of calendar year 2021, plus a few events beyond, for sports on the Olympic and Olympic Winter Games program. Two calendars are offered: first, in chronological order (pp. 2-12) and second, by sport (pp. 13-24). Several winter federations have come out with their schedules for 2021-22, but the biggest player – the Federation Internationale de Ski – has yet not posted its calendar.

These listings are from publicly-available sources as of 1 May 2021 and ***will continue to change*** thanks to the virus. Please do not hesitate to send amendments or corrections to Editor@TheSportsExaminer.com! Users should double-check events with the current calendars of the relevant international, regional or national federation to ensure up-to-date information.

The country codes are those used by the International Olympic Committee (more [here](#)). Other common symbols and abbreviations (? = unsettled dates):

- | | | | | | |
