International Sports Calendar no. 2 for 2022

▣ The Covid-19 pandemic is not over and neither is the Russian invasion of Ukraine, both of which have made the 2022 international sports calendar a mess.

This new listing, updated from our 28 December 2021 edition, shows 620 events through December 2022, for sports on the Olympic and Olympic Winter Games program which have published their 2022 listings. Two calendars are offered: first, in chronological order (pp. 2-15) and second, by sport (pp. 16-29).

These listings are from publicly-available sources as of 5 April 2022 and ***will continue to change*** thanks to the virus and Russia. Please do not hesitate to send amendments or corrections to Editor@TheSportsExaminer.com. Users should double-check events with the current calendars of the relevant international, regional or national federation to ensure up-to-date information.

The country codes are those used by the International Olympic Committee (more [here](#)). Other common symbols and abbreviations (? = unsettled dates):
