*Calendar Edition • 20 October 2022*

## ***International Sports Calendar for 2022-23***

▣ Even with the Covid-19 pandemic and the Russian invasion of Ukraine continuing, full seasons of sport are being scheduled (except in Russia and Belarus, so far), and in most cases with spectators.

This new listing, updated from our 10 April 2022 edition, shows 951 events through October 2023 (and a few more into 2028), for sports on the Olympic and Olympic Winter Games program which have published their 2022-23 listings. Two calendars are offered: first, in chronological order (pp. 2-21) and second, by sport (pp. 22-42).

These listings are from publicly-available sources as of 20 October 2022 and ***will continue to change*** thanks to the virus and Russia. Please do not hesitate to send amendments or corrections to [Editor@TheSportsExaminer.com](mailto:Editor@TheSportsExaminer.com). Users should double-check events with the current calendars of the relevant international, regional or national federation to ensure up-to-date information.

The country codes are those used by the International Olympic Committee (more [here](#)). Other common symbols and abbreviations (? = unsettled dates):

- BMX-F = BMX-Freestyle in Cycling
- DHI = Downhill in Mountain Biking
- HS = Hill Size in Ski Jumping
- M = Men
- Mtg = Meeting (meet) in Athletics
- MtnB = Mountain Biking
- tbd = to be determined
- W = Women
- XCC = Cross Country Short Track
- XCO = Cross Country in Mountain Biking

Please send amendments and corrections to us [here](#). We'll have an update in a few months.

---
