International Sports Calendar no. 3 for 2023

▣ The focus has turned to qualifying for the Paris 2024 Olympic Games, so the international sports calendar for 2023 and into 2024 is busy.

This new listing, updated from our 20 March 2023 edition, shows 787 events for the remainder of calendar year 2023, for 2024, plus multi-sport events into 2028, for sports on the Olympic and Olympic Winter Games program which have published their calendar listings. Two calendars are offered: first, in chronological order (pp. 2-18) and second, by sport (pp. 19-36).

These listings are from publicly-available sources as of 10 July 2023 and ***will continue to change*** for continuously changing reasons. Please do not hesitate to send amendments or corrections to Editor@TheSportsExaminer.com. Users should double-check events with the current calendars of the relevant international, regional or national federation to ensure up-to-date information.

The country codes are those used by the International Olympic Committee (more [here](#)). Other common symbols and abbreviations (? = unsettled dates):

- BMX-F = BMX-Freestyle in Cycling
- DHI = Downhill in Mountain Biking
- HS = Hill Size in Ski Jumping
- M = Men
- Mtg = Meeting (meet) in Athletics
- MtnB = Mountain Biking
- tbd = to be determined
- W = Women
- XCC = Cross Country Short Track
- XCO = Cross Country in Mountain Biking

Please send amendments and corrections to us [here](#). We'll have an update in a few months.
