## International Sports Calendar no. 3 for 2024

▣ Paris 2024 has concluded, but there is no break for Olympic sport.

This new listing, updated from our 1 May 2024 edition, shows 885 events for the remainder of 2024, through 2025 and some multi-sport events into 2034, for sports on the Olympic and Olympic Winter Games program which have published their calendar listings. Two calendars are offered: first, in chronological order (pp. 2-20) and second, by sport (pp. 21-40).

These listings are from publicly-available sources as of 1 October 2024 and ***will continue to change*** for many reasons. Please do not hesitate to send amendments or corrections to [Editor@TheSportsExaminer.com](mailto:Editor@TheSportsExaminer.com). Users should double-check events with the current calendars of the relevant international or national federation to ensure up-to-date information.

The country codes are those used by the International Olympic Committee (more [here](#)). Other common symbols and abbreviations (?? = unsettled dates):
