## International Sports Calendar no. 3 for 2025

▣ Full details of the build-up to the 2026 Olympic Winter Games are now available, with detailed winter-sport calendars for 2025 and into 2026.

This new listing, updated from our 1 April 2025 edition, shows 699 events for the remainder of 2025, through 30 June 2026 and some added events as far as 2034, for sports on the Olympic and Olympic Winter Games program which have published their calendar listings. Two calendars are offered: first, in chronological order (pp. 2-16) and second, by sport (pp. 17-32).

These listings are from publicly-available sources as of 4 July 2025 and ***will continue to change*** for many reasons.
